

iPad

FOR SENIORS

This comprehensive and invaluable guide will show you how to get the most out of your iPad. The iPad is a very user friendly, portable multimedia device with endless capabilities. Use it to surf the Internet, write e-mails, jot down notes and maintain your calendar.

But that is not all you can do with the iPad by far. With the Apple App Store you can choose from hundreds of thousands of applications (apps). Many apps can be downloaded for free or cost practically nothing. This practical tablet computer offers apps to allow you to listen to music, take and view photos and make video calls. Perhaps you are interested in new recipes, horoscopes, fitness exercises, news from around the world or podcasts? You can even use it to view the place where you live in Google Street View. There is literally an app to do almost anything. With *iPad for SENIORS* you can learn how to take complete advantage of this technology. Before you know it, you won't believe you ever lived without an iPad and your world will open up and become a lot bigger!

Learn how to:

- navigate the screens
- connect to a Wi-Fi or 3G network
- surf the Internet and use e-mail
- use built-in applications
- download apps from the App Store
- work with photos, video and music

Suitable for:

iPad 1 and iPad 2

Studio Visual Steps

Visual Steps™

iPad for SENIORS makes use of the Visual Steps method developed for adult learners by **Addo Stuur**. Key features in the series... for SENIORS:

- **Content** - the special needs and requirements of the beginning user with little or no technical background have been taken into account.
- **Structure** - self-paced, learn as you go. Proceed step by step with easy to follow instructions. What's more, the chapters are organized in such a way that you can skip a chapter or repeat another as desired.
- **Illustrations** - plentiful use of screen illustrations to show you if you are on the right track.
- **Layout** - large print makes it easy to read.

The Studio Visual Steps Authors

The Studio Visual Steps team of authors consists of different professionals, all thoroughly experienced in their subject field.

The proven Visual Steps methodology features:

- Easy, step-by-step instructions
- Screen illustrations for each step
- Explanations and additional background information in plain English
