Visual Steps™

Windows Vista for SENIORS makes use of the Visual Steps Method developed for adult learners by **Addo Stuur**. Key features in the series ...for SENIORS:

- **Content:** the special needs and requirements of the beginning user with little or no technical background have been taken into account.
- **Structure:** self-paced, learn as you go. Proceed step-by-step with easy to follow instructions. What's more, the chapters are organized in such a way that you can skip a chapter or repeat another as desired.
- **Illustrations:** plentiful use of screen illustrations to show you if you are on the right track.
- **Layout:** large sized book and large print make it easy to read.
