with **iOS** 10

This comprehensive and invaluable book shows you how to get the most out of an iPad with iOS 10. The iPad is a user-friendly, portable multimedia device with endless capabilities. This book teaches you how to surf the Internet, write emails, jot down notes and maintain a calendar. The iPad's built-in apps (applications) are also discussed. These apps allow you to listen to music, take pictures and make video calls.

The book also shows you how to use the App Store, where you can download other interesting applications free of charge or for a small fee. There are hundreds of thousands of apps to add extra functionality to your iPad. Each chapter of this book is broken down into small, concise, step-by-step instructions that can be followed at your own pace. With large-print type and an extensive index, this is the best resource for getting acquainted with your iPad.
